

Marble Valley Fall Sportsmanship Award

The Marble Valley Sportsmanship Award was awarded to three Black River High School Varsity teams this fall. Receiving the honor for the second year in a row was the boys' varsity soccer team. Also being named for the honor was the varsity girls' soccer team. Rounding out the sweep was recognition to the boys & girls cross country team.

The Marble Valley Sportsmanship Award is awarded seasonally to teams participating in the Marble Valley League. The award is determined by each league opponent rating your facility, team sportsmanship, coach's sportsmanship, fan sportsmanship and the game administration (A.D.). The overall scores are then tabulated by league officials and the team earning the highest rating is awarded the honor. This is the first time that all three varsity programs received the award in the same season. Recognition of all three teams is not only an outstanding accomplishment for all three teams but is also an honor shared with the school and community.
